

Adult Care Worker

Level 2

Overview

An apprenticeship at Level 2 is a job with training. Being an apprentice means that you have a job that includes achieving recognised qualifications and essential work skills whilst you are earning a wage.

The Adult Care Worker Apprenticeship is ideal if you want to train for a career, or are already employed in a suitable role in the health and care sector. A role in social care can mean you working in voluntary, local authorities, private and independent social care organisations. This qualification is appropriate for care workers, domiciliary care workers, support and outreach workers, supervisors and senior care workers.

Knowledge, Skills and behaviours you will develop:

- The job the care worker has to do: their main tasks and responsibilities.
- The importance of having the right values and behaviours and treating people with respect and dignity.
- The importance of communication and communicating clearly and responsibly.
- How to support individuals to remain safe from harm (Safeguarding).
- How to promote health and wellbeing for the individuals the care worker supports, and for their work colleagues.
- How to work professionally and seeking to develop professional development.
- The 6 Cs

The apprenticeship is recognition of competence and enables progression to higher levels of skills development needed to be an adult care worker.
